11, 12 October 1950

Report for 11 October: Considerable cloudiness in the morning in western and northern sections of Yugoslavia; mostly fair in other sections. Temperatures at 1300 hours, 19-23 degrees.

Forecast for 12 October: Moderately cloudy throughout Yugoslavia, except in Macedonia, where it will be slightly cloudy. Moderate northerly winds. Temperatures slightly falling.

13 October 1950

Report: Mostly fair in the morning; moderately cloudy in the afternoon. Moderate winds; strong northwesterly winds in the Danube valley; stormy in the Primorje. Temperatures at 1300 hours, 12-14 degrees; in the Primorje, 17-19 degrees.

14 October 1950

Report: Fair in the morning; slightly cloudy during the day. Moderate northerly winds. Temperatures at 1300 hours, 14-17 degrees; in the Primorje, 18-20 degrees.

15 October 1950

Report: Mostly fair, except in northwestern sections, where it was slightly cloudy. Moderate morning frosts in Croatia, Bosnia, Serbia, and the Vojvodina. Temperatures at 1300 hours, about 15 degrees; in the Primorje, about 20 degrees.

16 October 1950

Report: Mostly fair, except in Slovenia, Croatia, and the northern Primorje, where it was slightly cloudy. Moderate winds. Temperatures at 1300 hours, 15-20 degrees.

17 October 1950

Report: Morning fog; moderately cloudy during the day. Temperatures at 1300 hours, 19-21 degrees.

18, 19 October 1950

Report for 18 October: Cloudy; rain in Slovenia and Croatia; in the afternoon rain in the Vojvodina and Serbia also. Moderate westerly winds. Temperatures at 1300 hours, about 18 degrees; in the Primorje, about 20 degrees.

Forecast for 19 October: Mostly cloudy in the morning throughout Yugoslavia; light local showers, except in Macedonia and the Primorje, where it will be moderately cloudy. Weather gradually improving in the afternoon in northwestern and northern sections. Moderate northwesterly winds. No change in temperature.

20, 21 October 1950

Report for 20 October: Variable cloudiness.

Forecast for 21 October: In the morning, fair, and in the afternoon, moderately cloudy, in the Primorje, Montenegro, and Macedonia; light variable winds; no change in temperature. Increasing cloudiness with local showers in Slovenia, Croatia, Bosnia, and Serbia; moderate northwesterly winds; temperatures falling.
